Company and Personal Data & Protection Policy

AmCham Tunisia is committed to protecting the privacy and security of personal data by following applicable data protection laws and regulations. This Data Protection Policy outlines AmCham Tunisia's commitment to safeguarding personal data, including how it is collected, processed, stored and managed.

This policy applies to all AmCham Tunisia members and the AmCham's contact person on behalf of the company member. It covers all information collected, processed and stored by AmCham Tunisia in any format, including electronic, paper or verbal.

AmCham Tunisia has appointed the Executive Director responsible for overseeing and updating the AmCham Tunisia data and ensuring compliance with applicable laws.

AmCham Tunisia is an organization that will use your data as a data subject to establish communication and statistics, promote education-related activities, and organize workshops and events such as seminars and conferences, cocktails, Lobbying missions, networking and tournaments.

However, AmCham Tunisia respects the right to restrict your company or personal data, to be informed or to delete any content of company visibility on our website or social media.

Terms & Conditions

I, the undersigned, hereby, declare that I agree to execute on behalf of the company member and have full authorization to complete this membership form to join AmCham Tunisia.

Once approved, the present membership form constitutes a binding contract between the parties that executed the signature page of this agreement. The company becomes an AmCham Tunisia member [AmChamer] when the membership fee is paid and received in AmCham Tunisia Bank's account. Membership rights, privileges and obligations commence afterwards.

This agreement does not give the right to the company member to represent or speak on behalf of AmCham Tunisia.

I accept Company and Personal Data & Protection Policy and AmCham Tunisia Terms & Conditions
